# Ergonomic Lift Tables

AMPS ergonomic lift tables boost safety and efficiency in automotive. Models lift up to 4,000 lbs with adjustable heights.

## HST-40-ST

- Capacity: 4,000 lbs
- Lowered Height: 11-7/8"
- Manual Rotation Table

## EHLT-WSI-4048-1.5-36

- Capacity: 1,500 lbs
- Height Range: 7" to 36"
- Table Size: 40" x 48"

## EHLTD-3-84

- Max Height: 84 in
- Capacity: 3,000 lbs
- Material: Steel

# Mezzanine Gates

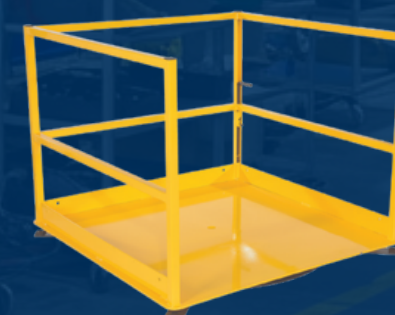

## MEZZ-200-SS

- Dimensions: 79-5/16" x 68-1/2" x 80-1/16"
- Handrail Height: 42-3/8"
- Mid-Rail Height: 21"

## MEZZ-SG-54

- Opening Width: 54"
- Closed Width: 115-1/4"
- Open Width: 62-1/16"

## MEZZ-R5-4848

- Dimensions: 53" x 53" x 42-3/16"
- Capacity: 5,000 lbs
- Includes Hardware: Yes

# Cranes

We offer a full range of overhead lifting solutions—from gantry and jib cranes to hoists, trolleys, and vacuum lifters. Designed for safe, efficient lifting of heavy loads in industrial environments.

## HCH-NS-1-10

- Lift Height: 10 ft
- Capacity: 1,000 lb
- brass construction

## EHN-20-C

- Capacity: 2,000 lbs
- Legs: Foldable design
- Color: Yellow

## AHSN-4-15-14-VG

- Capacity: 4,000 lbs
- Size: 15' wide x 14'
- Casters: 4 swivel with brakes

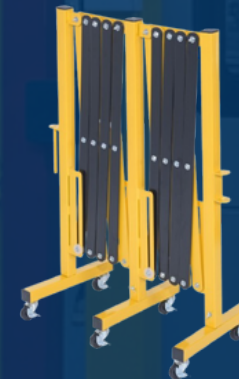

# Protective Barriers

AMPS offers heavy-duty protective barriers designed for automotive facilities to safeguard equipment and personnel.

## GR-F3R-GBS-4-YL

- Length: 41.875"
- Impact Capacity: 10,000 lbs
- Hardware: Included

## EXGATE-30-192

- Expanded Width: 192"
- Material: Steel
- Color: Yellow/Black

## MRCG-39

- Size: 6" x 6" x 39"
- Corner Angle: 90°
- Thickness: 3/8"

# Conveyors

Streamline warehouse operations with AMPS Supply's reliable conveyor systems.

- Roller Conveyors
- Ball Transfer Platforms
- Gravity Roller Conveyor System
- Expandable Roller Conveyors
- Pop-Up Ball Transfer Platforms
- Conveyor with Retractable End Stops
