Pallet Trucks

EPT-2048-45

- Fork Width: 20.5"
- Fork Length: 48"
- Capacity: 4,500 lbs

EPT-2547-30

- Fork Width: 25"
- Fork Length: 48"
- Capacity: 3,300 lbs

PM5-2748-QL

- Length: 61-11/16"
- Fork Width: 27"
- Capacity: 5,500 lbs

EPT-PGL-2045-30

- Fork Width: 20"
- Fork Length: 45"
- Capacity: 3,500 lbs

Order Pickers

AMPS Supply's order pickers are built for efficient and safe warehouse picking tasks. Ideal solutions for light to heavy-duty order fulfillment.

SPS2-2848

- Height: 50-1/8"
- Weight Capacity: 1,000 lbs total
- Shelf Capacity: 550 lbs per shelf

SPA3-2848

- Height: 50-3/16"
- Weight Capacity: 1,000 lbs total
- Shelf Capacity: 330 lbs per shelf

SPS-HD-2252

- Height: 73-7/16"
- Weight Capacity: 1,000 lbs total
- Shelf Capacity: 500 lbs per shelf

Stackers

Stackers are ideal for lifting and stacking pallets in warehouse environments. They offer a cost-effective, space-saving alternative to forklifts for material handling tasks.

S-CB-118

- Lift Height Range: 2" to 118"
- Capacity (0-62"): 1,000 lbs
- Capacity (62-118"): 500 lbs

SL-118-AA

- Max Lift Height: 118"
- Capacity (0-63"): 2,000 lbs
- Capacity (63-118"): 1,500 lbs

S3-125-AA

- Max Lift Height: 125"
- Capacity (0-62"): 3,000 lbs
- Capacity (62-118"): 2,500 lbs

Racks and Storage Solutions

Optimize warehouse space with AMPS Supply's durable racking systems built for efficient workflow.

A Wide Variety of Racking Solutions

- Pallet Racking & Accessories
- Vertical Storage Racks
- Cantilever Racking
- Wire Containers
- Heavy Duty Roll-Out Shelving
- Carton Flow Racks
- Wire Reel Caddies
- Aluminum Storage Cases

FLOW-3-4

- Length: 3 ft
- Capacity per Level: 1,000 lbs
- Roller Capacity: 50 lbs/ft

HDU-C-8-36-SET

- Arm Length: 36"
- Upright Capacity: 64,000 lbs
- Level Capacity: 4,800 lbs

Elevating Lift Carts

Elevating lift carts make lifting and moving materials in warehouses safer and more efficient. They help reduce strain on workers and streamline handling tasks.

CART-1000-TS

- Platform Width: 19-3/4"
- Length: 32"
- Weight Capacity: 1,000 lbs

CART-1000-DC

- Platform Width: 20-1/2"
- Length: 39-3/4"
- Weight Capacity: 1,000 lbs

CART-500-SS3

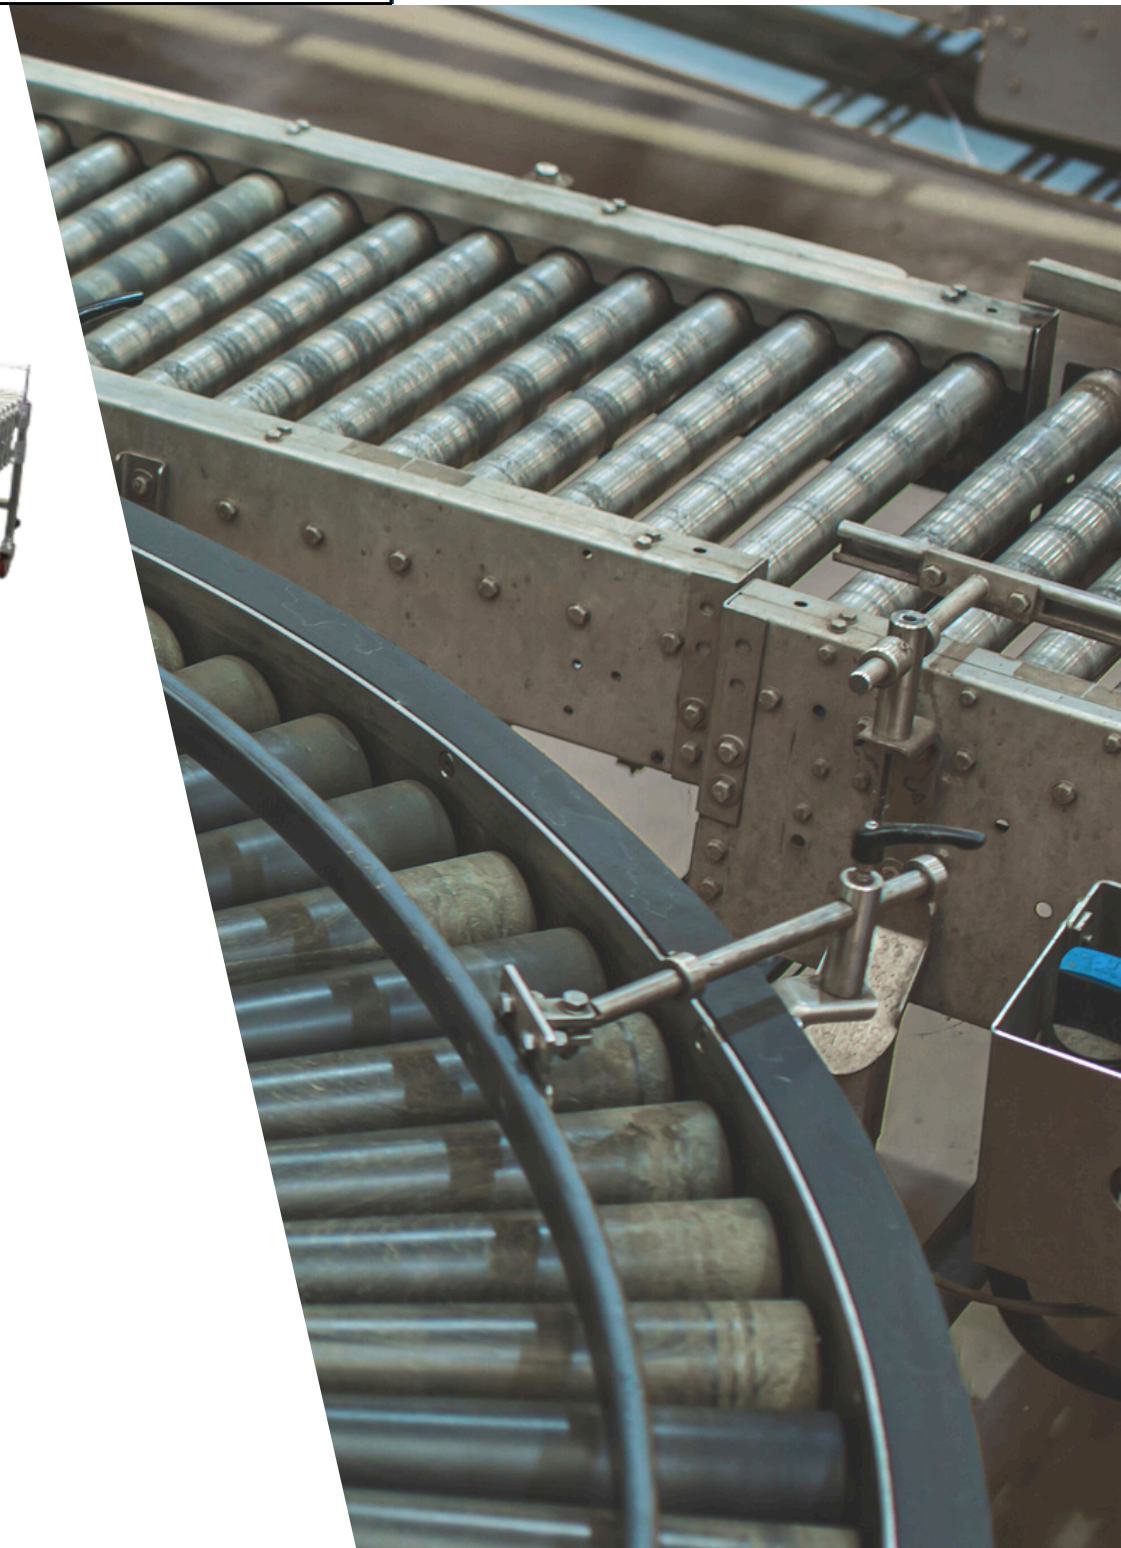

- Platform Width: 19-3/8"
- Weight Capacity: 500 lbs
- Length: 32-1/2"

Conveyors

Streamline warehouse operations with AMPS Supply's reliable conveyor systems.

- Roller Conveyors
- Ball Transfer Platforms
- Gravity Roller Conveyor System
- Expandable Roller Conveyors
- Pop-Up Ball Transfer Platforms
- Conveyor with Retractable End Stops
